Indian Data Protection Summit 2022 (IDPS 2022) is set to be held from November 11, 12 and 13 as a virtual conference. The event is being conducted in association with QRC Assurance and Solutions Pvt Ltd as Title sponsors. This is the third year of this flagship program series conducted by the Foundation of Data Protection Professionals in India (FDPPPI), a section 8 company dedicated to the cause of Privacy and Data Protection in India.

As part of the event, FDPPI would give away awards to recognize the contribution of professionals to the Privacy and Data Protection eco-system in India.

There are three coveted awards namely the Privacy Knight, Privacy Crusaders and Privacy Champion.

Privacy Knight is an award for an individual. One Privacy Knight award would be open to both FDPPI members and non-members. One Privacy Knight award would be provided exclusively for FDPPI members. Privacy Crusaders is an award for a Privacy Team and Privacy Champion is the award for an organization.

Awards will be given away in a virtual award ceremony on 11th November 2022 based on the decision by a Jury team.
